Poster Contest Calendar for 2015

This calendar is published by the Asia-Pacific Regional Space Agency Forum (APRSAF) Space Education Working Group, which encourages the use of space materials to enhance education for young people and aims to stimulate intellectual curiosity and passion of young people through their involvement in space activities.

The drawings and paintings presented in this calendar were selected from entries from children ages 8 to 11 for the ninth APRSAF Poster Contest, held under the theme, "Space is the Future", and displayed during the twenty-first session of APRSAF, held in Japan in December, 2014.

APRSAF Space Education Working Group proudly presents the creative artwork of children in Asia and the Pacific.
