This calendar is published by the ASIA-PACIFIC REGIONAL SPACE AGENCY FORUM (APRSF) Space Education for All Working Group (SE4AWG), which encourages the use of space materials to enhance education for young people and aims to stimulate intellectual curiosity and passion of young people through their involvement in space activities. Every year, APRSAF SE4AWG organizes Poster Contest, which is open to children between the ages of 8 and 11 in the Asia-Pacific region. The drawings and paintings in this calendar were exhibited at the APRSAF Poster Contest held online under the theme of "I am an astronaut" in November 2021.

APRSF Space Education for All Working Group proudly presents the creative artworks of children in Asia and the Pacific.
