The ASIA-PACIFIC REGIONAL SPACE AGENCY FORUM (APRSAF) Space Education for All Working Group (SE4AWG) is proud to present the magnificent artwork of children from the Asia-Pacific region.

Since 2006, the APRFAS SE4AWG initiative has organized a poster contest for children in the Asia-Pacific region. The drawings and paintings in this calendar were selected from Cambodia, China, Indonesia, Iran, Japan, South Korea, Malaysia, Pakistan, Sri Lanka, Thailand, and Vietnam for the final exhibition, which was a combined in-person and online event under the theme "The Moon, Mars, and Beyond" and held in September 2023.

This calendar is published by the APRSAF-SE4AWG. This initiative aims to enhance the education of young people and stimulate their intellectual curiosity and passion by encouraging their participation in activities like the Poster Contest.
