

# Hayabusa 2 picture drawing songs

## 1) Hayabusa 2

draw a little window out to space  
draw the window a nice round face

asteroids are outside  
stretching out your hand to find  
two more asteroids on the end

down down across across down down up top  
down down across across down down again

join on to the body of  
a spacecraft that's flying off  
turn around - it's hayabusa 2
