## **APRSAF POSTER CALENDAR 2009** **“ Wonders of the Universe ”**

This calendar is published by the Asia-Pacific Regional Space Agency Forum (APRSAF) Space Education and Awareness Working Group, which encourages the use of space materials to enhance education for young people and aims to stimulate intellectual curiosity and passion of young people through their involvement with space activities. The drawings and paintings in this calendar were selected from entries from children aged 8 and 11 for the third APRSAF Poster Contest, held under the theme “Wonders of the Universe”, and presented during the fifteenth session of APRSAF, held in Vietnam in December 2008.

On the occasion of the celebration of the International Year of Astronomy in 2009, APRSAF space education group proudly presents the imaginations of Asian and Pacific children of their journey through the universe.
