# APRSAF POSTER CONTEST CALENDAR 2011-2012

## “Space technology to Help the Earth”

This calendar is published by the Asia-Pacific Regional Space Agency Forum (APRSAF) Space Education and Awareness Working Group, which encourages the use of space materials to enhance education for young people and aims to stimulate intellectual curiosity and passion of young people through their involvement in space activities.

The drawings and paintings presented in this calendar were selected from entries from children aged 8 and 11 for the fifth APRSAF Poster Contest, held under the “Space technology to Help the Earth”, and displayed during the seventeenth session of APRSAF, held in Melbourne, Victoria, Australia in November 2010.

Following the successful celebration of the International Year of Biodiversity in 2010, APRSAF Space Education and Awareness Working Group proudly presents the imaginations of children in Asian and the Pacific.

SPACE AGENCY FORUM

If you wish to distribute copies of the calendar,  
please contact JAXA Space Education Center at Email: [z-aprsaf@edu.jaxa.jp](mailto:z-aprsaf@edu.jaxa.jp).  
We are pleased to provide you with its PDF file for your production.

The theme of the sixth APRSAF Poster Contest will be “The next 50 years in Space”.
