# APRSAF Poster Contest Calendar 2013

This calendar is published by the Asia-Pacific Regional Space Agency Forum (APRSAF) Space Education and Awareness Working Group, which encourages the use of space materials to enhance education for young people and aims to stimulate intellectual curiosity and passion of young people through their involvement in space activities.

The drawings and paintings presented in this calendar were selected from entries from children ages 8 to 11 for the seventh APRSAF Poster Contest, held under the theme "Friends in Space", and displayed during the nineteenth session of APRSAF, held in Malaysia in December 2012.

APRSAF Space Education and Awareness Working Group proudly presents the creative artwork of children in Asia and the Pacific.

You are welcome to produce copies of this calendar and distribute them to parties who may be interested in them.

The theme of the eighth APRSAF Poster Contest will be "Space and Me".
