Poster Contest Calendar for 2014

This calendar is published by the Asia-Pacific Regional Space Agency Forum (APRSAF) Space Education and Awareness Working Group, which encourages the use of space materials to enhance education for young people and aims to stimulate intellectual curiosity and passion of young people through their involvement in space activities.

The drawings and paintings presented in this calendar were selected from entries from children ages 8 to 11 for the eighth APRSAF Poster Contest, held under the theme "Space and Me", and displayed during the twentieth session of APRSAF, held in Vietnam in December 2013.

APRSAF Space Education and Awareness Working Group proudly presents the creative artwork of children in Asia and the Pacific.
