

Amidst the restrictions on international travel due to "APRSAF Online 2020" was held on November 2020.

Space Education Working Group held APRSAF2020 Poster contest from October 23rd to November 1st (23:59 UTC) online.

3,598 ballots were voted for this contest and 4 posters won the awards.

With support of Lockheed Martin, Lagrange, and KOKUSAI SOGO KIKAKU Co. Ltd., JAXA will launch all posters to the International Space Station and display inside ISS in 2021. [Award presentation Video Link](#)

Due to the postponement APRSAF-27 in Hanoi, Vietnam, SEWG have canceled the international Water Rocket Event this year and JAXA Space Education Center held online event for Japanese students who applied for WRE.
